Current Employment

Practising in his own name as an Arbitrator, Adjudicator, Mediator, Conciliator and Expert Witness in construction and engineering disputes.

Managing Director of Pye Consulting Group Limited, a United Kingdom consultancy company providing:-

- commercial and contractual management services to clients and contractors in the construction industry.
- expert investigation, reports, assistance and evidence on quantum, planning and related issues in construction disputes.
- quantity surveying services.
- arbitration, mediation, conciliation, adjudication and other ADR services

Brief Career Details

A career in the construction industry spanning over 40 years in both client and contracting organisations, principally in the United Kingdom, but with overseas working experience in USA, Canada, Germany, Switzerland, Belgium and in Saudi Arabia with French, Italian, Chinese and Korean contractors.

Early experience in the Architectural field with eight years spent in the planning, design and on and off-site supervision of major housing schemes. Followed by a career move into quantity surveying, firstly in housing, but later, and more predominantly, into the industrial and commercial sectors.

Contracting experience with major UK and French international building and civil engineering companies, UK design and build contractors and specialist structural steelwork companies, on contracts with values in excess of £1,500 million.

Consultancy experience from 1985 to present day in the management and resolution of construction disputes by negotiation, mediation, conciliation, adjudication, litigation and arbitration, with disputed amounts in excess of £40 million.

Prepared Expert Reports in contemplation of litigation and arbitration. Acted as an expert witness in construction disputes on multi-million pound quantum matters and planning inquiries and been subject to cross-examination by Counsel in arbitration and also in litigation in the TCC.

Now predominantly involved in all aspects of the arbitration and adjudication processes.

Spoken at Seminars and Workshops to Banks, Solicitors, Professional Bodies and Companies on subjects related to Arbitration, Adjudication, Expert Witness, Quantity Surveying and other Construction topics..
