BACKGROUND & EXPERIENCE:

Before becoming involved in commercial consultancy work worked for over 20 years in the UK contracting industry on projects ranging from Nuclear Power Installations, Water Treatment Works, Bridges, Roads and Railways to Prestige Building Development Work, Refurbishment and Industrial and Housing Projects in both the private and public sectors with contract values to and in excess of £50 million, but predominantly in the range £50,000 to £10 million. Conversant with JCT 80 and 98, IFC 84 and 98, JCT 81 and CD 98 With Contractor's Design, JCT 98 Management Contract, JCT 98 Minor Works Agreement, ICE 5th and 6th Edition, GC/Works/1 Editions 2 and 3, NEC/ECC and related standard forms of sub-contract or works contract. Between 1996 and 1998 employed by Edmund Nuttall as Project Quantity Surveyor on an Extended Arm Railway Maintenance Project with Railtrack having responsibility for six members of staff.

DISPUTE RESOLUTION:

Having over eight years experience in Professional Consultancy Work as a Senior Consultant and latterly a Director undertaking assignments in connection with: -

- commercial and contractual management services to clients and contractors in the construction industry;
- expert investigation, reports, assistance and evidence, on quantum and related issues in construction disputes;
- quantity surveying services;
- mediation, conciliation, adjudication and other ADR services.

Appointed onto the RICS panel of Adjudicators in July 2001 and have received numerous appointments since that time. In June 2004 appointed onto the TeCSA panel of Adjudicators. Extensive experience in the representation of both referring and responding parties in Adjudication on a variety of disputes, including payment provisions, quality of work, valuation of work and valuation of variations. In June 2004 successful in assessment for inclusion on the Chartered Institute of Arbitrators' Panel of Arbitrators.

As well as providing seminars and lectures to industry, is a visiting lecturer in Construction Law on the MSc in Construction Law and Dispute Resolution course at the University of Central Lancashire.
